Re: FESHM 10120 – Powered Industrial Trucks (PIT's)

This chapter has been updated as detailed below and sent for lab wide review:

FESHM 10120 – Powered Industrial Trucks (PIT'S)

- Added reference to new Lift Plan FESHM chapter
- Updated refresher training requirements (removed retraining every three years) and added back in the Lead Evaluator Program and requirements.
- Added technical appendix that addresses material lifts.

All comments received during the review period have been addressed by Subject Matter Experts and the updated chapter is ready for approval and release.

The chapter has been sent to you and Lisa Vega electronically. If a paper copy is required, you may either print one out or contact Lisa and she will provide one to you. After Directorate approval, please return this approval page to Kristy Gibson at MS119 for posting.
